Master Plan of DESU

701. SHRIMATI VEENA VERMA:
SHRI KAPIL VERMA:

Will the Minister of ENERGY be pleased to state:

(a) what are the details of the master plan prepared by DESU;

(b) whether any help from foreign countries has also been sought in this regard; and

(c) if so, what are the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) to (c) According to the Delhi Electric Supply Undertaking, they have prepared a perspective power development plan for 220 KV/400 KV system upto the year 2001 AD which is based on the Master Plan of Delhi Development Authority. DESU has also entered into an agreement with M/s Swed Power for providing consultancy Services for preparation of a Master Plan for the distribution system in Delhi to meet the anticipated load growth upto the year 2005 AD. The agreement also envisages supply of computer software packages and training of personnel etc. The entire cost of providing the consultancy services, including the supply of software packages and training of DESU staff, would be met from a grant by the Swedish International Development Agency.

Draft Bill for setting up of Nodal Energy Conservation Organisation

702. SHRI KAPIL VERMA: Will the Minister of ENERGY be pleased to state:

(a) whether the Indian Law Institute has prepared a draft bill on behalf of the Advisory Board on Energy providing for setting up of a nodal energy conservation organisation with planning and enforcement powers; and

(b) if so, what are the details thereof and what is Government's reaction thereto?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) and (b) The Advisory Board on Energy had commissioned the Indian Law Institute to prepare the draft of an energy conservation legislatoin which would be suitable for India. The Institute has prepared the first draft and is giving it a final stage before presenting it to the Advisory Board on Energy. This draft, *inter-alia* contains provisions relating to the setting up of a nodal energy conservation organisation. The Government will take a view in the matter at the appropriate time.

Realisation of rehabilitation charges by NLC

703. SHRI D. B. CHANDRE GOWDA: Will the Minister of ENERGY be pleased to refer to the answer to Unstarred Question 951 given in the Rajya Sabha on the 27th April, 1987 and state:

(a) whether the cost of rehabilitation charge has not yet been realised by the Neyveli Lignite Corporation Limited from M/s. MAN even after a lapse of a year of discussions;

(b) whether the cost fixed at about Rs. 1.59 crores was much less than the actual cost incurred on that account by NLC;

(c) if so, what are the details thereof and on what basis the said sum of Rs. 1.59 crores was computed by NLC; and

(d) what further steps are being contemplated to be taken immediately?

THE MINISTER OF STATE IN THE DEPARTMENT OF COAL IN THE MINISTRY OF ENERGY (SHRI C. K. JAFFAR SHARIEF): (a) No, Sir. The cost of rehabilitation of the
